## NSW DEPARTMENT OF EDUCATION Special Religious and Non-Religious Education Letter

The NSW public education system provides students with the opportunity to participate in ethical, moral and religious education. Whilst such classes are commonly religious, there exists non-religious alternatives (e.g., classes on ethics and or morality). The school website provides information on these options to inform your choice. Visit <https://web3.karonga-s.schools.nsw.edu.au> for more information.

Parents/Carers must notify the school in writing if they wish to change their decision regarding their child's participation in religious/non-religious education. Unless a change has been requested, students will continue with the same arrangement as the previous year.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit:
